RE: **USS Green Bay Half-Hour Special Program**

The "USS Green Bay", half-hour special program, aired on WLUK-TV, Green Bay, on Monday, May 25, 2009 at 5:30 pm. Reporter Mark Leland and Photojournalist Todd Berry spent 4 days in Los Angeles to prepare the reports for this special program.

The main stories we put together included a complete Tour of the USS Green Bay, interviews and descriptions of personalization of the ship. One of the premium segments showed the Commissioning Ceremony of the USS Green Bay, giving the Mission of the ship as well as interviews of Local Marines remembered and honorary plaques on board. The Lombardi School Students attending the ceremony watched as sailors partnered with the Green Bay Group Partners in Education.

MAKING THE SWITCH TO DIGITAL TELEVISION

DTV TRANSITION NEWS

DTVAnswers.com
An initiative of the National Association of Broadcasters

DTV ACTION ITEMS: NEW 30-Minute DTV Education Program Satellite Feed, Friday, April 10 (English Version), Downloading Latest Spots, Ordering Tapes/DVDs

April 10 Satellite Feed

On Friday, April 10, at 12:45 p.m. (EDT), the National Association of Broadcasters (NAB) will distribute a new 30-minute educational digital television (DTV) program via satellite for stations that have not yet terminated analog transmissions.

A re-feed, along with the new Spanish language version, is scheduled for Tuesday, April 14, 12:45 p.m. (EDT). Stations will receive a feed notice by 5 p.m. on April 10 with details.

This program, "Countdown to DTV: Are You Ready?" will review all the steps that antenna TV viewers must take in order to upgrade to digital, as well as tackle important topics like:

- Coupon program update
- Hooking up a converter box
- Antennas
- Rescanning

To comply with FCC requirements, stations under Option 2 (NAB Plan) must, after April 1, 2009, and before the station terminates analog, air at least one 30-minute informational program between 8 a.m. and 11:35 p.m. The video must contain certain local information and for stations affected, service loss information.

Every station must add information to this program concerning the date and approximate time of day when all full-power stations in the market are terminating analog service. At the end of the first segment, there is a marked break for stations to insert this information.

Every station with predicted service loss greater than two percent must add service loss information to this program consistent with information contained in the station's daily required airing of loss of service notices. Following the run of the entire program, there is an additional closing segment that applies only to these affected stations. This alternate ending includes an insert to include service loss information.

For more information on requirements, please review the chart available at:
http://www.nab.org/xert/legal/NAB_DTV_Education_Requirement_Matrix.pdf.

The program runs approximately 22:30 and includes three commercial breaks. (When including mandated FCC information, the program will run longer.)

Subject: Our Economy: Your Future

Just a quick note to let you know that we will soon unveil a station initiative entitled Our Economy: Your Future.

The content will be produced for on-line, and on-air. It will culminate in two market wide events that will be held at various regional Technical Colleges.

For Broadcast: Five 30 minute specials will air Mondays at 9:30PM on: Mar 30, April 6, April 13, April 20 and May 4. The broadcasts will be staged in our studio. Hosted by Tom Milbourn and Michelle Melby. Produced by John Laughrin. The content will consist of reporter packages and live interviews. Each night will focus on specific content.

On the Web: We will produce a preview package to be on the site the Thursday prior to the Monday broadcast. The Web Site will also provide a resource for reference material. We'll also invite questions from users, which will be presented during the broadcast. The 30 minute specials will also be posted on the web site following the broadcast.

The Events: Will be held on April 23rd at Northeast Wisconsin Technical College, Lakeshore Technical College and Moraine Park Technical College. Then the second event will be held on May 6th at Fox Valley Technical College. The first event will focus on personal empowerment. The second will be a more traditional career fair.

The goal of this content is to empower our viewers and web site users. We want to provide solid information and resources to help our communities through the turbulent economic times.

FOR IMMEDIATE RELEASE

Golden Apple Awards Program Being Rebroadcast

Green Bay, Wis.- (April 29, 2009) – The 2009 Golden Apple Awards that originally aired live on FOX 11 on April 22, 2009, will be rebroadcast on FOX 11 on:

- Sunday, May 3, 2:30 p.m. to 3:30 p.m.
- Sunday, May 10, 3 p.m. to 4 p.m.

This year, the awards program honored the founders of Partners of Education, a program of the Green Bay Area Chamber of Commerce, especially Donald Long. Don died last May; however, he gave generously of his time and was dedicated to his community. Don, founder of Imperial Supplies, played a prominent role in creating Partners in Education, notably the Golden Apple Awards.

These 2009 Golden Apple Award recipients were honored on stage during the televised Golden Apple Awards Program on WLUK-TV, 9PM-10PM, on April 22, 2009:

- Individuals—**Ron Huisheere**, Green Bay Franklin Middle School; **Karen Janke**, Green Bay Washington Middle School; **Chad McAllister**, Howard-Suamico Bay Port High School; **Rena Kyles**, Green Bay Beaumont Elementary School; **Sara Malchow**, Pulaski Glenbrook School;
- Teams—**Jenny Wassenberg & Chad Federman**, West De Pere Phantom Knight School of Opportunity; **Kelly Schweda & Marie Sauvey**, Green Bay Chappell Elementary 4th/5th Grade Team.

Please contact Nancy Schopf, vice president of education and leadership, Green Bay Area Chamber of Commerce, at (920) 593-3413 or schopf@titletown.org with questions.
